HIRING MANAGER

Dear Hiring Manager,

Thank you for the opportunity to apply for the advertised role at your company. After reviewing your job description, it's clear that you're looking for a candidate that is extremely familiar with the responsibilities associated with the role and can perform them confidently. Given these requirements, I am certain that I have the necessary skills to successfully do the job adeptly and perform above expectations.

I am a quality-oriented professional who has been consistently praised as adaptable by my co-workers and management. Over the course of my 2-year career, I've developed a skill set directly relevant to the role you are hiring for, including Cloud Engineering, Mentoring, IT Support, Data Analysis, Remote systems access, Programming, and Configuration Management. Overall, I have consistently demonstrated critical thinking, leadership, and technical abilities in every aspect of my Quality Assurance Test Engineer role at First National Bank, and I invite you to review my detailed achievements in the attached resume.

After reviewing my resume, I hope you will agree that I am the type of candidate you are looking for. I look forward to elaborating on how my specific skills and abilities will benefit your organization. Please contact me at **(072) 476-2460** or via email at **alexthotse@gmail.com** to arrange a convenient meeting time.

Thank you for your consideration, and I look forward to hearing from you soon.

Sincerely,

Alex Thotse
